Exhibit A
Additional Terms and Conditions for Payments Services

The following terms (“**Payment Service Terms**”) apply to the use of the ResidentIQ Payments payment processing service (“**Payment Services**”) offered in conjunction with the Agreement. These Payment Service Terms only apply to Customers who have selected and been approved for ResidentIQ Payments as an applicable service on the applicable Order Form accepted by ResidentIQ.

The Payment Service Terms only apply to Customer’s use of ResidentIQ Payments. Capitalized words which are used in the Payment Service Terms, but not defined in the Payment Service Terms, have the meaning given to such words in the Agreement. In the event of any conflict between these Payment Service Terms and the Agreement, these Payment Service Terms will apply as to the specific Payment Services and the Agreement will control for all other purposes.

1. Third Party Payment Processor. Customer acknowledges that ResidentIQ is not currently licensed as a merchant payment processor. ResidentIQ will instead serve as a data processor transmitting requests for merchant payment processing services to ResidentIQ’s payment processing service provider or another third party selected by ResidentIQ and reasonably acceptable to Customer (“**Payment Processor**”). Customer will be required to enter into a separate agreement (“**Processor Agreement**”) directly with the Payment Processor in order for ResidentIQ to transmit Customer’s payment requests to the Payment Processor and for the Payment Processor to complete the payment transactions placed by Customer on Customer’s behalf.

The Payment Processor and its merchant banks will determine Customer’s eligibility for payment processing in accordance with their own underwriting criteria. The Payment Processor and its merchant banks must approve the transactions submitted by or on behalf of Customer. ResidentIQ cannot assure Customer that it or its transactions will be accepted or approved by the Payment Processor or its merchant banks.

Nothing in the Terms or these Payment Services Terms shall reduce the liability or obligations of Customer under the Processor Agreement. ResidentIQ may terminate the provisions of the Payment Services to Customer immediately in the event that (i) the Processor Agreement between Customer and the Payment Processor is terminated (or is not executed within a reasonable amount of time after ResidentIQ accepts the Order Form providing for Payment Services); (ii) the agreement between ResidentIQ and the Payment Processor is terminated or expires; or (iii) if any payment network or entity having jurisdiction over Payment Processor indicates that Payment Processor may no longer provide merchant services.

ResidentIQ will not have direct access or control of Customer’s funds. Transactions will be processed through an ID established by the Payment Processor for Customer that enables

ResidentIQ and the Payment Processor to facilitate such payments (“**Merchant ID**”). Each Merchant ID will be exclusively for a specific Customer. It is Customer’s responsibility to maintain the confidentiality of Customer’s login credentials. Sharing credentials or a Customer’s Merchant ID for another’s use is strictly prohibited.

The Payment Processor will either receive transaction settlement proceeds in a bank account that it owns and controls or the proceeds will be settled to an account of the Payment Processor’s own processor; in either case, the applicable funds will then be settled to an account designated by Customer to the Payment Processor less the below Payment Services Fees, which will be retained and shared by ResidentIQ and the Payment Processor.

2. **Payment Processing Fees.** Customer agrees to pay any and all applicable fees applicable to Payment Services as set forth on the Order Form.

3. **Compliance with Laws and Applicable Policies.** Customer and ResidentIQ each agree at all times to comply with all applicable laws, rules and regulations, as well as applicable industry rules including but not limited to those of the Automated Clearing House (“**ACH**”), and card association rules. Customer agrees to comply with all applicable policies, rules and requirements of the Payment Processor and its applicable merchant banks.

4. **Prohibited Persons.** All of the following Persons are prohibited from using the Payment Services and Customer represents and warrants that it does not fall into any of the following classes: (i) Persons who appear on the U.S. Department of the Treasury, Office of Foreign Assets Control, Specially Designated Nationals List; (ii) Persons who are less than 18 years of age; (iii) Persons, or their Affiliates who have been previously terminated for cause under a contract with Payment Processor; and (iv) Persons who are not both domiciled and resident in the United States. “Persons” means any individual, corporation (including any not for profit corporation), general or limited partnership, limited liability partnership, joint venture, estate, trust, firm, company (including any limited liability company or joint stock company), association, organization, entity or governmental authority.

5. **Limitation of Warranty and Liability for Payment Services.** ResidentIQ makes no representation or warranty on behalf of the Payment Processor. Except as expressly set forth in the Agreement, the Payment Services are provided by ResidentIQ without representations or warranties of any kind, whether express, implied, by operation of law, or otherwise, including, without limitation, any implied or statutory warranties of merchantability or fitness for particular purpose. In no event shall ResidentIQ be liable for any indirect, special, punitive, incidental or consequential damages whatsoever of any kind, including without limitation, loss of profits, revenue, data or damages from loss of use or delay, arising out of or in connection with the Payment Services (however arising, under any theory including but not limited to negligence, tort, contract, strict liability or under statute), even if ResidentIQ has been informed in advance of the possibility of such potential claim, loss or damage. The total aggregate liability of ResidentIQ for damages for any action related to the Payment Services will

in no event exceed the amount of the fees paid to ResidentIQ in connection with the particular Payment Services transaction giving rise to damages alleged.

Exhibit B

Additional Terms and Conditions for Screening Services

These Screening Service Terms only apply to Customers who have selected and been approved for Screening Services as an applicable service on the applicable Order Form accepted by ResidentIQ.

Customer certifies that it will provide and obtain an authorization and a disclosure (separate from the authorization) in full compliance with the Fair Credit Reporting Act (“FCRA”) from each person on whom a consumer report is ordered, prior to ordering a consumer report on such person, and will maintain the disclosure and authorization on file for audit and inspection by ResidentIQ. Consistent with five year statute of limitation set forth in the FCRA (Section 618), Customer agrees to maintain a clear copy of photographic identification of each consumer along with the authorization for five (5) years. During this period, Customer will provide ResidentIQ (via ScreeningOne) with a copy of such disclosure and authorization, or the original, as reasonably may be requested by ResidentIQ or its authorized representatives. Customer agrees that ResidentIQ, upon reasonable notice, may conduct audits to ensure Customer’s compliance with the FCRA and all applicable federal and state laws, and requirements of the Agreement, and Customer agrees to provide reasonable cooperation with ResidentIQ in connection with such audits.

2. California. Customer must conform to the SUBSCRIBER CERTIFICATION OF COMPLIANCE pursuant to California Civil Code section 1785.14 (a). Client shall notify ResidentIQ if **it is or is not** a retail seller, as defined in Section 1802.3 of the California Civil Code and issues credit to consumers who appear in person on the basis of applications for credit submitted in person.

3. Vermont. Customer shall notify ResidentIQ that it **will or will not** be ordering information products and services relating to consumers living or working in Vermont.

4. Customer acknowledges that many services containing credit information (e.g., Equifax, Experian, TransUnion)(“**Credit Information**”) also contain information from the Death Master File as issued by the Social Security Administration; certify pursuant to Section 203 of the Bipartisan Budget Act of 2013 and 15 C.F.R. § 1110.102 that, consistent with its applicable FCRA or Gramm-Leach-Bliley Act use of Credit Information, the end user’s use of deceased flags or other indicia within the Credit Information is restricted to legitimate fraud prevention or business purposes in compliance with applicable laws, rule, regulations, or fiduciary duty, as such business purposes are interpreted under 15 C.F.R. § 1110.102(a)(1); and certify that the end user will not take any adverse action against any consumer without further investigation to verify the information from the deceased flags or other indicia within the Credit Information.
